Canada’s Seven Physical Regions

Directions:

- Using the following MAP, name and colour each of Canada’s physical region.
  - Use a separate colour for each region.
  - Label each region with its correct name.
  - Put your name on the map
- Using the following CHART, fill in each box under each of the headings.
  - Use point form when describing each heading – Note-taking form.
  - Ensure there are 2-3 points for each heading.
  - Research each topic/heading by using an atlas and/or by searching on-line.
  - Print or write neatly.

The 7 physical regions of Canada:

1. Western Cordilleras (Rocky Mountains)
2. Interior Plains
3. Canadian Shield
4. Arctic\Innuitians
5. Hudson Bay/Artic Lowlands
6. Saint Lawrence Lowlands and the Great Lakes
7. Appalachians (of the Atlantic region).
